Scoring – WAO Pointed Events

Scoring Master Series Heat 1 - WAO Pointed Event

Competitors must pre-qualify for the Master Series Final at UKI Open by earning a bye in the Master Series Heat (Pink Certificate). Pre-qualification can be earned by the winners of each class regardless of the number of dogs entered and by the following aggregate scoring. If 1-5 dogs are entered in a particular height the 1st and 2nd will pre-qualify, if 6 – 10 dogs 1st, 2nd & 3rd will qualify and if more than 11 dogs are entered in a particular height the 1st, 2nd 3rd and 4th will qualify. Only the same dog and handler who earn the bye will be allowed to run at UKI Nationals; their jump height must be the same at both events. Master Series Heat consists of two rounds; Agility & Jumping. Scoring Standard UK Agility Marking will apply. Faults converted into seconds. 5 faults = 5 seconds. Time faults treated the same as course faults. An elimination = 100 faults. Dogs eliminated will also be given 60 seconds as their time. Dogs with the lowest score will be deemed the winner. In the event of a tie the result from the agility class will be the deciding factor. A no show in either class will negate any scores and awards.

Scoring Games Challenge – WAO Pointed Event – Each Round

Games Challenge consists of two rounds; Snooker and Gamble. Scoring: The dog with the most points will be deemed the winner with time used as a tie break in all aspects of the Games Challenge. Qualifying runs in both games will count towards the qualifying criteria for the 2018 Canadian Open Games Biathlon

Scoring Agility Biathlon – WAO Pointed Event – Overall placement

Agility Biathlon is scored cumulatively. With least faults winning and time as tie breaker only, in all aspects of the Biathlon. Eliminations will result in 100 faults with a 60 second course time. A no show in either run will score 1000 faults with a 60 second course time. Combined Scores of 320 and more will not be placed.

Scoring Speed Stakes Challenge – WAO Pointed Event – Overall placement

Consists of 2 Speed Stakes courses. Each round is cumulative and is scored time plus faults. Eliminations will result in 100 faults with a 60 second course time. A no show in either run will result in disqualification from the Champ Speed Stakes Challenge event. Combined scores of 200 faults will not be placed.
